

### 9th Inning Error Costs Prospectors Victory At Boise

An infield error in the ninth inning allowed the Boise Jr. Braves to tie the score and another error in the tenth prolonged the game long enough for Bobbie Haines to double in the winning run as the Braves won 7 to 6 over the Weiser Prospectors, Sunday in Boise.

The Prospectors will close the first round of the Border League tomorrow night when they play host to the Payette Packers at Weiser. J. C. Wray, manager of the Prospectors, said they are looking for a comeback after being out of the playoffs for two years.

Two singles and a stolen base accounted for one Boise run in the first inning, but the Jr. Braves drove in four more runs in the second. In the fifth inning, the Prospectors scored two runs on an error and Peterson, who was scored on, was grounded out by first base.

The Prospectors scored one in the fifth as McCadden doubled off a fielder's choice and scored on Tom Conklin's double. The Weiser team scored in the sixth as Emerson scored on an error and Bailey scored on Hill. McCadden's single, Emerson's error and Bailey scored on Hill.
