

Victors Will Stay As Skywatch Chief As Clubs Lend Aid

John Victors, supervisor of the Weiser Ground Observer Corps, has announced that he won't quit his position as he has planned to continue his term for the year ending on July 26.

This time the motorist turned around and gave pursuit and caught the boys about three miles north of town. The boys were taken to the hospital and the Weiser Hot Springs and on the way sidestepped a car. The boys did not stop and the other motorist never reported the slight violation.

37 Absentee Ballots Cast in Primary Vote

Thirty-seven absentee ballots have been cast for the August 14 primary election, Neil Guzman, county clerk, said today. She said this could be considered a good-sized return considering the only absentee ballots are on the state level.

The absentee ballots may be voted at the convenience of those who will be out of the county on election day. They may also be obtained by those temporarily out of the county. Absentee ballots may be voted through Monday, August 14, through Saturday.

Corn Biggest Item At Weiser Cannery
