At regular intervals one of the Bureau's large staff of experienced auditors makes a thorough inspection and audit of our circulation records, just as the bank examiner makes a check of your bank's records. The information thus obtained is published in official A.B.C. reports. When you buy space in this newspaper our A.B.C. report tells you just what, in circulation values, you get for your advertising investment.

Better Grades With Better Sight Let Us Examine Their Eyes Before School Starts Fall imposes a great strain on your youngster's eyes. Not only must they do an increased amount of reading, but they must do a great portion of it under artificial light. Under such circumstances slight optical defects, unless corrected, are magnified and in time become serious. To remove any danger of this, have your boy's or girl's eyes examined now.
