WISCONSIN MATTER

The Wisconsin State Bar Association has adopted a resolution recommending that the State Bar of Wisconsin be organized as a corporation under the laws of this State. The resolution was adopted at a meeting of the association held at Milwaukee, Wis., on the 15th inst. The association is composed of all the lawyers in the State who are members of the American Bar Association.

THE TOWN AND THE STATE

The town and the state are two distinct entities, each with its own sphere of activity. The town is a local government, while the state is a national government. The town is responsible for the local affairs of the community, while the state is responsible for the general welfare of the people.
