GENERAL NEWS.

The Grand Jury of Lincoln county has returned an indictment against Mrs. Thomas for assault on Kelley, and for having been furnished to \$2,000. Mrs. Thomas' case was dismissed.

Probable help is coming, on arrival of the first steamer. A large quantity of goods is expected to arrive in the next few days. It is thought that the goods will be sold at a profit.

The boys here have caught several trout in the creek. A few of them are quite large. This is the first season since 1881 that the boys have caught trout in the creek. The waters of the creek are clearer now than they have been for some time. It is thought that the fish are getting on well.

John N. Henson, mentioned in the paper, recently, in San Francisco, was a resident of Weiser in 1881. He was a very good man, and was a great help to the community. He was a very good man, and was a great help to the community.
