

THE WISDOM OF THE PEOPLE
REMEMBER
RECENT AFFAIRS
The people of this country are entitled to know the truth concerning the administration of the President who has just been elected. It is a duty which every citizen owes to himself and to his country to become fully informed as to the record of the President who has just been elected. MATHEMATICAL
The mathematical sciences are the foundation of all modern science and industry. They are the tools which we use to understand the natural world and to create the wonders of modern technology. Mathematics is the language of science and the key to the future of our civilization. It is a discipline that requires patience, persistence, and a willingness to challenge oneself. Those who master the principles of mathematics will find themselves equipped with the tools necessary to solve the most complex problems of our time.
