A Mammoth Stock Just Received!

THE ONE PRICE
CASH STORE!
We invite to-day the special attention of the People of all the Upper Valleys—including Long Valley—to the
Large & Well Selected Stock
we carry this fall, and wish to say this:
We are aware of the long distance to our town, and don't expect you to pass by the stores of our own valleys unless
YOU RECEIVE SPECIAL INDUCEMENTS
for coming here. Please bear in mind, that in order to do business away off from a railroad point, your expenses will arise, of which the extra charge for hauling is the principle one. In consequence of this, and from the fact that we are doing business on a cash basis, we claim and challenge its denial, that we are able to sell you
Goods for Less Money
than your own store-own, and we offer you all inducements you can expect to obtain by coming to Weiser.
