TERRITORIAL NEWS.

We notice cases of cold blood, utterly severe and genuine pluck, but when one runs deliberately down two stages and "goes through," the passengers, and all within the space of fifteen minutes, we decidedly think he deserves a chevron. Such a case—and it is probably without a parallel on record—occurred near Matoon on Wednesday of this week. How much "swag" the cool-headed scoundrel got is not learned. Democrats with $200 gold watches and dollar diamonds feel their losses heavily.—*Silver City Tribune.*

In as much as it is currently reported around the county, that there are horses, cattle and other [illegible] infesting our borders, we would recommend to the various forest and cattle men in this territory as well as the states of Oregon and Nevada, the propriety of [illegible] their brands and ear-marks as [illegible]. It will aid the owners of horses and cattle in finding their animals, and have a tendency to discourage people from driving horses and cattle away that do not belong to them, for the reason, that the property will be known by all stock men. If the owner could belong to the Idaho Stock [illegible] Association his stock could be taken from the Missouri valley permanently.—*Idaho Avalanche.*

Caldwell, the new townsite city on the O. S. L. Ry., is said to be to be situated in an agricultural, stock and mining country to be pronounced very bright prospects for future greatness. It is the nearest railroad point to the great Wood River country and the center of a rich network of fertile valleys. It is situated on the Boise River. Yet, situated as much and still as [illegible], but Shoshone is [illegible] situated.—*Alturas Exp.*

It is said that Queen Victoria's unbounded grief for the death of her departed John Brown is so exalted for fear that that the Holy Ghostship was a powerful [illegible], and kept her majesty in [illegible] with [illegible] Brown. Queer, John's death the queen is [illegible], and hence the melancholy.

The great fight of Central Idaho is up in the political arena, and the [illegible] [illegible] [illegible]

DR. SPINNEY

No. 11 Kearny St., San Francisco, Cal.

Treats all Chronic and Special Diseases of

YOUNG MEN,

Who may be suffering from the effects of youthful follies or indiscretion will do well to call. In the treatment of this, the greatest class ever held at the door of confidence and secrecy, Dr. Spinney will guarantee to forfeit $500 for every case of Spermatorrhœa, Impotency or private disease which he undertakes and fails to cure.

MIDDLE AGED MEN.

There are many at age of thirty to sixty who are troubled with too frequent evacuations of the bladder, often accompanied by a slight smarting or burning sensation, and a weakness of the system in a manner the patient cannot account for. On examining the urinary deposits a ropy sediment will often be found, and sometimes small particles of albumen will appear, or the color will be of a thin milkish hue again changing on to a dark and turbid appearance. There are many men who die of this difficulty, ignorant of the cause, which is the second stage of seminal weakness. Dr. S. will guarantee a perfect cure in all such cases, and a healthy restoration of the genito urinary organs. Office hours—10 to 4 and 6 to 8. Sundays from 10 to 11 a. m. consultation free. Thorough examination and advice $5. Call or address Dr. SPINNEY & CO. No. 11 Kearny street, San Francisco.
