**THE BOARD OF COUNTY COMMISSIONERS**  
 The Board of County Commissioners, composed of the following members, met on Monday, the 2nd day of January, 1912, at 10 o'clock A. M., in the County Court House, and after the reading of the minutes of the last meeting, the following resolutions were adopted:

Resolved, That the Board of County Commissioners do hereby authorize the County Engineer to prepare and submit to the Board a plan for the improvement of the drainage system of the County, including the construction of a main sewer line from the City of St. Louis to the County Seat, and the construction of branch lines to the various farms and villages in the County.

Resolved, That the Board of County Commissioners do hereby authorize the County Engineer to employ such assistants and laborers as may be necessary for the purpose of the above resolution, and to expend such sums of money as may be necessary for the purpose of the above resolution, out of the County Treasury.

Resolved, That the Board of County Commissioners do hereby authorize the County Engineer to advertise for proposals for the construction of the above mentioned sewer line, and to accept of the lowest and best proposal.

Resolved, That the Board of County Commissioners do hereby authorize the County Engineer to execute all contracts for the construction of the above mentioned sewer line, and to pay for the same out of the County Treasury.

Resolved, That the Board of County Commissioners do hereby authorize the County Engineer to prepare and submit to the Board a plan for the improvement of the drainage system of the County, including the construction of a main sewer line from the City of St. Louis to the County Seat, and the construction of branch lines to the various farms and villages in the County.
