

**THE BRIGHTNESS OF HIS OWN DAY**

The brightness of his own day, as not who would be called bright. The brightness is always temporary in nature, always passing through the mist of memory, always so dimming (to) the eyes of the world. The brightness of his own day, as not who would be called bright. The brightness is always temporary in nature, always passing through the mist of memory, always so dimming (to) the eyes of the world.
