WEISER LEADER.
FRIDAY, NOVEMBER 20, 1885.

Citizens' Meeting.

All citizens are requested to attend a meeting which will be held at the school house on Monday evening, December 1st, for the purpose of discussing matters of importance to the town and county. Let everyone interested in the welfare of the county and town be present.

Hand sawed cut, 12ft feet, at the Draughon & JEFFRIES.

NOTICE.

From and after this date no communications of publication of legal notices in THE LEADER will be given until the same are paid for. This rule will be strictly enforced in all cases.

WM. P. GLENN.
November 20th, 1885.

Story tales to underwear, at Bell's.

Latest by telephone: "Ting-a-ling! Hello! Who's there! All right!"

Pipes, tobacco, cigars, cheap at Bell's.

Next week we will publish an interesting article on the resources of Washington county.

Coverlids, underskirts, etc., at Bell's.

A Christmas-Tree is talked of to take place in this town on the eve of the 25th day. Let all take a hand and see that the affair will be a credit to the place.

You get what you pay for at Bell's.

Chas. Peterson, of Lower Boise, returned home on the morning of the 24th, to find his house burned to the ground, destroying everything. It was supposed to have been fired by a tramp.

Good, warm winter socks cheap, at Bell's.

The bell for the Baptist church arrived, and it is a fine one, bearing the inscription, "Presented to the First Baptist Church, Weiser, Idaho, by M. L. Hoyt." It weighs, mountings and all, something over 1000 pounds.

The choicest goods are found at Bell's.

E. M. Rice passed through this place Monday last, on his way to Portland, Oregon, where he intends to establish an immigration office, for the purpose of inducing settlers to come to this county and other portions of the territory to form colonies.

Fresh Butter and eggs for sale at Bell's.

Attention of the stock men is again directed to the advertisement of E. J. Smith, on fourth page, in relation to a stray horse, and branded $25 reward. Mr. Smith informs us that the animal was recently seen between the mouths of Payette and Boise rivers, and that he is likely in that range yet. Mind the "ad," look out for the horse and deliver him to either party mentioned, and get your cash.

You buy cheapest at Bell's.

Shirley Dedman recently received a large stock of fine clothing, hats and shoes, suits and caps, of the latest qualities. He has also the largest and best stock of cloaks ever brought to the town. The display of holiday goods is excellent, and the prices are very low. As the holidays are coming on we would recommend you to come well to Weiser, or, better still, buy your "Christmas" in Payette, or a load of hay. He will take a load of his splendid stock, there is no doubt, in exchange for wheat, oats and chickens.

You pay for what you get at Bell's.

Prof. J. Hazlett entertained home talent at Payette village Tuesday evening, with a magic lantern exhibition. The hall was filled to overflowing. He had also called a meeting of Middle valley people who were interested, to meet at Payette, on Wednesday evening, for the purpose of organizing a Farmers' Institute. The meeting was well attended, and the Institute organized, with the following officers: President, Wm. Hall; Secretary, Mrs. Dr. Hall; Executive Committee, Mrs. Dr. Hall, Mrs. Dr. Hall, Mrs. Dr. Hall. The next meeting will be held at Payette, on the first Saturday in December, at which time a programme will be arranged for the meeting to be held in January.

From a Moscow paper we learn that the Magnesia school district has four good school houses. This speaks well for a location where but five years ago the Indian and buffalo had undisputed possession. How about Weiser? We wish the missionaries of the east would lead us their aid. There is no sign of an improvement in our school buildings as yet. The time has arrived when all good citizens should demand improvement in our schools as well as our school buildings, and it is a shame and disgrace to this community to send the children to such uncomfortable quarters, and we believe all our people will favor a radical change this direction. This district should also sustain at least nine months school during the year. It is reported that the school now in session will be closed at the beginning of the holidays for the reason that the funds are out. If so the citizens should call a meeting and devise measures by which the school can be continued one quarter more at least. Educate your children and keep them employed if you wish to have empty prisons and no use for the hangman's noose.

Fresh candies, nuts, etc., etc., at Bell's.

Do not fail to read the communication of Superintendent Shaw in relation to the public schools. The public school matters throughout this county are in a deplorable condition, and the sooner our people wake up, take an interest and try to improve them, the better it will be for everybody.

The public-spirited citizens of Ada county have completed the survey of a $40,000 wagon road to Atlanta. This trade now goes to Mountain Home. The citizens of Boise city are alive to their own interests.

Geo. F. Bell has moved his store into the building formerly occupied by Fl.B. Cox as a saloon. He also received a stock of new goods during the week.

Wm. Thompson takes this method of informing those having claims and accounts of his in their possession, to return the same to him in Weiser immediately, thereby saving trouble and expense.

Mr. and Mrs. Langley, of the Payette, are here visiting Mrs. L.'s father and mother, Mr. and Mrs. D. P. Marryatt, and other friends.

The ladies of Boise city tendered a most elegant reception to Hon. John Hailey on Monday evening, 24th inst.

The delinquent tax list coming in at a late hour Thursday evening crowded out local and other tax and advertisements.

All parties indebted to the undersigned are respectfully requested to call and settle their accounts and greatly oblige.

S. W. HAWORTH.

Interesting Thanksgiving services were held at the school house in this place.

Mr. and Mrs. Thomas Beaulieu left by Tuesday evening's train for Boise city.
