To
Friends and
Patrons

Who have stayed with us in the past, and assure them that we will endeavor to treat them as well, or better, if possible, in the future.

To those who have never favored us with their patronage we wish to say this—give us a trial and we will give you honest goods at honest prices, and you will say and see it the right policy of profit to buy right prices always to us.

We will be taking our invoice next month and before doing this we will sell the balance of our

Fall and Winter Stock at Cost.

We have a few Parlor Chairs and Rockers left over which we will sell for less than cost. Take advantage of the offer and you will save money.
