

THE 'HOTS' AT MENA

Many of the men who are suffering from the 'hots' at Mena are suffering from the same disease which is so common in the West. The disease is caused by the heat of the sun and the dryness of the air. It is a very common disease and is easily cured by the use of the 'hots' at Mena.

OHN PONG WILL HANG

Ohn Pong will hang for the crime of murder. The jury found him guilty of the murder of a man named John Doe. The judge sentenced him to hang by the neck until dead. The execution will take place on the 15th of the month.
