NOTICE.

Local meeting Monday night at Cambridge—Every one try to be present.

Our last week's Judge Gardner's decision in the matter of the petition of Weiser to change the county seat, was the talk of the town. Many were surprised, and many were pleased, but the majority of the people of Weiser and Washington county, regret the decision. Weiser has been the county seat for the past ten years, and has always been a good town, and the people have always been loyal to the county, and have done all in their power to help the county along, and they feel that they have been treated unjustly in the decision. Weiser has a good court house, and all the county records are here, and it would be a great expense to move them to any other town in the county. Weiser is the largest town in the county, and is the most central point in the county, and is the most convenient place for the people to come to transact their business. Weiser has a good water system, and is the most healthful town in the county. Weiser has a good school system, and is the most progressive town in the county. Weiser has a good newspaper, and is the most enterprising town in the county. Weiser has a good bank, and is the most prosperous town in the county.
