THE WEISER SIGNAL.

THURSDAY, JUNE 25, 1896.

Several attempts to wash, are spoiled by trying to get it too warm. Wash this week with cool water and Pearline. Directions in the country and by Rates, called in Europe from every station in circulation and picked to their post duffer to make it worth two.

The Rocky Mountain News has Fonda's story out as exceptionally good narrative and the opening chapters of the final Byron Cicero instalment of the story of a Rocky Mountain miner, and indeed. The enterprise of the Rocky Mountain is worthy of praise, and that of substantial success.

The Signal may possibly be a little disturbing the news for weeks to come, but if we conclude, as governor of the Idaho Press Association, to carry out our present plan of visiting a new state, which shall be known to the newspaper business. We would like to go with the order of the day, and in spirit of the "Great of God" to not only put all these states far as on the map—of newspaper enterprise.

SOMETHING NEW AGAIN.

The world is ever very large, and as do at times, is getting smaller every day, for there has established a connection. "If a man would climb up and that only on the 10th of the [illegible] month at Chatham, N. Y., the United Kingdom, the island, longer than ever before, and will be able to transact more business than by any other method. Engineers in constructing the Manchuria are now [illegible] the men in England and more in America in 1846. He died on the age of 70. So the Empire has ever been of the entire rolling system of the world, and long enough [illegible] to see that he die very near future the two country that for that [illegible] will be connected by the [illegible] and in consequence will subscribe the [illegible] and to the globe, a new [illegible] and continue that will make the age of more sense, no politics as some which preceded it. And that [illegible] over other that country as a [illegible] by steam.

A FAVORITE REMEDY.

R. B. Lee, clerk of the United Cherokee one of, if not the brightest [illegible] in the state, is [illegible] having had one [illegible] of [illegible] and [illegible] of [illegible] and [illegible] for cold blocks, and it is interesting to read an article from one of [illegible] about a month [illegible] remedy for [illegible]. A dose similar of the blues had been may take effect to supply of Weiser can it, an assure for the half-townships displayed at county [illegible] here. Pelton [illegible]

[illegible] that [illegible] and [illegible] [illegible] [illegible]
