ONWARD TO CRANE CREEK
 Result of Last Tuesday Evening's Meeting.

A Good Wagon Road Will Be Constructed.

The move is on. It is a good move. It is a move altogether, and 'on to Crane Creek' is the slogan.

On Monday the following circular was scattered on our streets.

The time has arrived in the history of our city and county when further progress can only be attained by the development of our immediate local interests.

A firm felt under the train at Pocatello last Monday night was pulled out by the fire department.

It is a three-year-old son of Gov. Tabor, who was killed by a runaway team and a runaway horse.

James Harrison was shot and probably fatally wounded by James Cunningham at Gen. Idaho last Saturday.

CUTTING A WIDE SWATH
 Idaho is Doing Herself Proud at the Fair.

The Hoopery and Value of our Mining Exhibit.

Among the many states and counties represented in the mining building is the Columbian Exposition.

The mine is being held out right, and is a very good thing.

It is a three-year-old son of Gov. Tabor, who was killed by a runaway team and a runaway horse.

James Harrison was shot and probably fatally wounded by James Cunningham at Gen. Idaho last Saturday.
