Report of a Subcommittee Visits Weiser.

On the morning of July 19th, a handsome private car arrived at the Oregon Short Line depot in this city, and from it stepped a party of gentlemen who were the guests of the Commercial Club of Boise City for the purpose of investigating the resources of Weiser and the surrounding country. Weiser is the county seat of Washington county, and is one of the most prosperous towns in the state.

The party of visitors consisted of the directors of the Commercial Club of Boise City, and a number of invited guests. They were met at the depot by the reception committee of the Weiser Commercial Club, and a number of citizens, and were escorted to the Hotel Weiser, where a sumptuous banquet was served in honor of the guests.

After dinner the party was divided into two sections, one section being taken in charge by the reception committee and driven over the city and surrounding country, while the other section, consisting of the directors of the Boise Commercial Club, were driven to the Weiser river, where they were met by a number of Weiser citizens, who had provided a launch for the occasion, and were taken down the river to the mouth of Crane creek, a distance of about seven miles, and returned to the city by the same route. The party was then driven to the Weiser Commercial Club rooms, where they were entertained by the members of the Weiser Club, and where the visitors were given an opportunity to meet the citizens of Weiser.
