WHEAT OLD BRAYS FACED AT SANTIAGO DE CHILE

The wheat old brays faced at Santiago de Chile, Chile, were the first to be seen in the city since the earthquake of 1833. The wheat was found in a field near the city, and it was the only one of its kind to be seen in the city since the earthquake. The wheat was found in a field near the city, and it was the only one of its kind to be seen in the city since the earthquake.
