

INVEST AT WEISER, IDAHO.

Washington County, for last fall. The investment is the largest since the war.

Washington County, for last fall. The investment is the largest since the war. The county has a population of 10,000 and is one of the most fertile in the state. The land is well watered and the climate is ideal for agriculture. The county is rich in minerals and has a large stock raising industry. The investment in the county is expected to bring about a general improvement in the standard of living.
