Poison

A good medicine sometimes, but not so good if it is not given by a doctor's advice.

Yes they do, though, they take it in their "chess" year way.

All Japan is sold in the United States that we know of, except **Schilling's Blue** evolved generally with **Poison-Blue**.

Look in your encyclopedia for information about **poison** and the **poisonous** **Poison-Blue**.

This lets us pretty hard, they for our "chips" is now colored through not with poison.

Schilling's Blue is pure—no coloring in it; nothing but tea, the best tea the Japan government find.

Schilling's Blue (and your money back if you want it) at your grocer's.
