NOTES OF PROGRESS IN WASHINGTON COUNTY.

Notes of progress in Washington county, Idaho, for the year 1899. The county has made great progress in all directions. The population has increased, and the land has been well cultivated. The crops are good, and the stock raising industry is thriving. The county is well supplied with schools and churches, and the people are generally well-to-do. The progress made during the year is a credit to the people of the county.
