

THE INCOME TAX PLANK
 The income tax plank is the most important feature of the new constitution. It provides for a progressive income tax, which will be levied on the total income of every individual and corporation. The tax will be based on the ability to pay, and will be levied in such a manner as to secure a fair and equitable distribution of the tax burden. The income tax plank is a landmark in the history of our country, and it is one of the most important features of the new constitution.
