After months of careful preparation we are now in a position to show the largest and most varied line of up-to-date Merchandise that can be found anywhere in this vicinity. We want you to SEE our goods that you may be in a position to fully understand and appreciate the values always back of our extremely low prices. We are all interested in the

Quality, quantity and value
 No timely pretensions are tolerated in this store for the purpose of raising alluring price figures. No misrepresentations by the salespeople. No value overlooked in the buying affairs of this business. His success is due to his efforts to obtain the best quality for the least money.

Ladies' CLOAK and SUIT Department
PUBLIC INVITATION: You are invited to call and see our Ladies' Cloak and Suit Department now located in our new salesroom. The showing made here would be a credit to a much larger town than Weiser. The new fall line of Jackets, Suits, Silk Underwear and Furs is now complete. Make this section of our store a visit. Examine what we have to offer.

Inspection obligates no one to purchase
 Whether you come prepared to buy or not, every courtesy will be extended to all. Our line is far superior this year than what it was last year. This year we are showing the popular Palmer Gowns made by Percival Palmer & Co., Chicago. This particular make of Ladies' Outer-garments has for many years been known as one of the leading makes of the United States.

The style, the fit, the goods, the making.
There is a Source of Fashionable
 in wearing a fashionable outer garment that is worth more than the whole cost of it.
