"Boost the Booster!"

That's the official slogan of a certain town in Arkansas which through boosting and boosting the booster are fast creating the population boom of 1930 season.

BOOST THE BOOSTER!

The Arkansas town had been sprawling among hills for years, and standing still. It had boosters, but it had no boosters who had the ability to boost the booster, and it was now, suddenly, boosting the booster.

Finally the town got together with boosters, and organized a "Boost the Booster Club" and began to boom. Now its principal thoroughfare which was a street of mud, is a street of asphalt, and it has now, suddenly, boosted the booster and booms the boom.

BOOST THE BOOSTER!

This town "boosts" its boosters. It has a town where boosters boost the booster. But sometimes they get discouraged because of opposing, right boys. It is a town where boosters boost the booster.

BOOST THE BOOSTER!

Cut out the criticism! Cut out the criticism! Cut out the criticism! Cut out the criticism! Cut out the criticism!

When you boost the booster you boom the boom.

Mr. [Name], one of the boosters of the town.
