AN EXCEPTIONAL OFFER

In order to introduce the HOWARD HEATER to the people of Weiser, we are going to send them out on a WEEK'S TRIAL.

Think of Trying a Stove in Your Home for a Week

If you don't prove, in your own home, that the HOWARD is the best coal stove we will refund the money you paid us. How are you going to prove this about the Howard? Buy one of us. Use it at home for a week. You'll know in less time than that what a splendid heater the HOWARD is. Buy one every day before you decide finally. Then if you haven't proved that the HOWARD is the best heater—that it gives you more heat—that it requires less fuel than any other coal stove you ever saw—

Back on you you send it and get your money back. We'll reposit it in the next part of the year before you see that you've got a HOWARD in your home. See how little coal it burns. See how little it costs to run. If the HOWARD is not the only successful SMOKE-BURNING stove in the country we will not sell it the way we do. We offer you the best coal heating stove in the world and the chance to get your money back if you don't prove it.
