AN EXCEPTIONAL OFFER

In order to introduce the HOWARD HEATER to the people of Weiser, we are going to send them out on a WEEK'S TRIAL.

Think of Trying a Stove in Your Home for a Week

If you don't prove, in your own home, that the HOWARD is the best coal stove, we will refund the money you paid us.

How are you going to prove this about the Howard? Buy one.

Use it at home for a week.

Write us in less than that what a splendid heater the HOWARD is. But wait seven days before you decide finally.

Then if you haven't proved that the HOWARD is the best heater—that it gives more heat and better heat—that it requires less fuel than any other coal stove you ever saw—

Back to us you send it and get your money back.

Was a proposition like this ever put up to you before?

Now you never bought a stove that you could return and get full refund.

If the HOWARD were not the only successful SMOKER BURNING coal stove in the country you could not sell it the way we do. We offer you the best coal heating stove in the world and the chance to get your money back if you don't prove it.

HOWARD

Get a HOWARD in the home. See how little coal it burns, what a difference it makes that it will not burn through the chimney. It will not burn through the chimney. It will not burn through the chimney. It will not burn through the chimney.
