### WHEN MEALTIME COMES

Do you ever stop to consider the quality of the food you are eating? It may be good. It might be better, purer, fresher and more wholesome.

Is it not worth while to make sure that your tea, coffee, sugar, salt, spices and innumerable other groceries are of the best quality?

There is such a trifling difference between the cost of the best and the worst that it does not pay to buy the worst, even on the ground of supposed economy. The best is the cheapest and the best quality at the lowest price can be found at
