THE COMING EVENT

President's Thanksgiving Proclamation

On this day, the 28th of October, 1901, I have deemed it proper to issue the following Proclamation: Thanksgiving is a day of national observance, and it is the duty of every citizen to observe it with reverence and devotion. It is a day when we should pause to reflect upon the many blessings which have been bestowed upon our people, and when we should give thanks to the God who has made it possible for us to enjoy the fruits of His goodness. Let us therefore observe this day with a pure and grateful heart, and let us strive to do good to all whom we meet.
