The Biggest Store of its Kind in the West and the Place to Get the Best Values

NOVEMBER GREAT EVENT Overcoat Sale

THESE garments are shown by themselves and have nothing to do with our regular stock. They are a whirlwind in the fashion world and will sell as fast as they are made. They are on sale today and not one will be left by Monday if we can get people to see them—as nothing like them has ever been offered in town.

No garment will be sent out on approval as the sale is mainly to bring people to our store at Masonic block.

Last August when Overcoats were useless a clothing manufacturer of Rochester, New York

a city famous for fine clothing, asked us for an offer on his remaining OVERCOAT STOCK, nearly 400 garments, with the distinct understanding not to use his name in connection with the sale of them, as it would create a flurry in the town—being a distinct HIGH GRADE MAKE OF Coats, and similar garments are being retailed at nearly double the price. We consented not to use the makers name, but some of the garments on sale have a Rochester Label and the maker's name—which stands for gold coin in the clothing trade.

We Are Showing this Lot Of

Coats Arranged in Two Lots

The \$20.00 Overcoats are now going at \$9.75

The \$25.00 Overcoats are now going at \$13.75

Which makes them the biggest values ever shown in Weiser or any other place

Avoid alum and alum phosphate baking powders. The label law requires that all the ingredients be named on the labels. Look out for the alum compounds.

NOTE—Safety lies in buying only Royal Baking Powder, a pure, cream of tartar baking powder, and the best that can be made.

WATER BILLS

The water bills for the month of October have been issued. The average bill for the month is \$3.50. This is a decrease from the average bill for the month of September, which was \$4.00. The decrease is due to the fact that the water usage for the month of October was lower than for the month of September.
