**'AN EXCEPTIONAL OFFER**

In order to introduce the HOWARD HEATER to the people of Weiser, we are going to send them out on a WEBER'S TRIAL.

Think of Trying a Stove in Your Home for a Week

If you don't prove, in your own home, that the HOWARD is the best coal stove, we will refund the money you paid for it.

How do you prove this about the HOWARD? Buy one of us.

Use it in your home for a week. You will know in less time than that what a splendid heater the HOWARD is. But wait seven days before you decide finally.

If you have never proved that the HOWARD is the best heater—that it gives you more heat than any other heater—that it requires less fuel than any other heater—that it is the most economical heater that you ever saw—

Back to us you send it and get your money back.

Was a proposition like this ever put up to you before?

NO! You never bought a stove that you could return as if it were a trial.

Now you can! Buy the HOWARD HEATER. Try it in your home for a week. If you don't like it, return it to us and get your money back. If you do like it, keep it. It is yours.

Get a HOWARD in the home. See how little coal it burns, what a splendid heater it is. Try it in your home for a week. If you don't like it, return it to us and get your money back. If you do like it, keep it. It is yours.
