PRELIMINARY CROP REPORT FOR IDAHO

Special Showing for Corn State Comparison of Yields per Acre of This State With Others. Idaho Leads.

When the statistics of Mr. A. H. Fisher, Idaho, published in the report of this state, showed that the production of corn in Idaho was 1,150,000 bushels, it was a record for the state. The yield per acre was 42.5 bushels, which is a record for the state. The yield per acre was 42.5 bushels, which is a record for the state. The yield per acre was 42.5 bushels, which is a record for the state.

DO YOU KNOW

Because we know that every customer has a different personality, a style of his or her own, it takes a big stock to satisfy all. So we make it possible for many people of many kinds. And we do it. What are you looking for? We surely have it. CUTTING RIB COMB

RENEWED ACTIVITY IN SEVEN CITIES

The Idaho National Survey Commission, which has been organized to study the conditions of the state, has reported that there is renewed activity in seven cities. The cities are Boise, Idaho Falls, Pocatello, Twin Falls, and two others. The survey shows that there is a general improvement in the conditions of the state, and that there is a renewed interest in the development of the state.

AN EXCEPTIONAL OFFER

In order to introduce the HOWARD HEATER to the people of Weiser, we are going to send them out on a WEEK'S TRIAL.

Think of Trying a Stove in Your Home for a Week

If you don't prove, in your own home, that the HOWARD is the best coal stove, we will refund the money you paid us.

How are you going to prove this about the Howard?

Use it at home for a week. You'll know in less time than you think a splendid heater the HOWARD is. But wait! Not only that, but you'll also know that it is the best heater that you've ever seen.

Then if you haven't proved that the HOWARD is the best heater—that it gives pleasure and comfort that is equal to any other coal heater you've ever seen—

Get a HOWARD in your home. See how it works. See how it heats. See how it cooks. See how it saves fuel. See how it saves space. See how it saves money. See how it saves time. See how it saves trouble. See how it saves worry. See how it saves everything.

Local News

The arrival of the new season has been a very busy one for the local business community. The weather has been very favorable, and the people have been very active. The local schools are in session, and the churches are very active. The local business community is very active, and the people are very happy.

How to be well dressed all the time.

Some men are well dressed only while their clothes are new. From that time until they buy another new suit, they look careworn, tired and old.

Might just as well be well dressed all the time. This costs no more if you wear

Clothcraft All-Wool Clothes

These are the only clothes at this price that actually last and that cost you less in the long run. They are made of pure wool and are absolutely colorfast. The name is Clothcraft. Good quality goods with each suit whether it is \$10 or \$25.

Visit your clothing store or the nearest you decide to buy CLOTHCRAFT. It's worth your while.
