Alexander MASONIC BLOCK

That FIFTY DOLLAR Men's Automobile Rear Overcoat in our store window is not a guide to our stock—it is 62 inches long and is made to wear, leggings, coat and sleeping coat.

We are always on the medium priced coats, such as the Idaho-Elmifly demands from day-to-day from October to April—

9.75 12.50

That's about a happy medium and buys a Top Coat good enough to wear anywhere and better than \$15 or \$20 usually buys.

We sold more Overcoats to you than ever before for the beginning of the season. Value it did it—it will do for you.

DEMOCRATS CARRY THEM—THE LEGISLATURE IS IN DOUBT

Up to 10 o'clock last night, when this paper went to press, the returns from the state indicated the election of Judge Stockinger and the white state ticket. It is possible that the Legislature will be also Democratic and Fred T. Babbs will be returned to the U. S. Senate. Washington County Dem. Democratic on both state and county tickets, with preference given to county attorney candidate, Fred T. Babbs, and to county clerk, Fred T. Babbs. The latter is a fair share of the honors in this great victory for the home and good government.

LET OUR SLOGAN BE: WEISER REASONED

Why do we need a slogan? It is a question that has been asked many times. The answer is simple: we need a slogan to guide us in our actions and to give us a sense of purpose.

When we have a slogan, we have a goal. We know what we are working for and we are motivated to achieve it. A slogan is a powerful tool for personal and professional growth.

Let us choose our slogan wisely. It should be something that we can live by every day. It should be something that gives us strength and courage in the face of adversity.

Our slogan is: WEISER REASONED. It is a reminder to think clearly and act wisely. It is a commitment to integrity and honesty. It is a promise to ourselves and to others.

# The Manager Of the B. & A.

By VAUGHAN KESTER

**CHAPTER XX.**  
 DURING the week of the 21st, the manager of the B. & A. was in a very busy mood. He had to attend to many matters, and his time was well filled. He had a number of appointments, and he was not a man who liked to be idle. He was a man of many parts, and he was always ready for any emergency that might arise. He was a man of great energy, and he was always full of ideas. He was a man who was always on the move, and he was always looking for new ways of doing things. He was a man who was always ready to take on any challenge that might come his way. He was a man who was always full of life, and he was always ready to give of himself to his company. He was a man who was always ready to do his best, and he was always ready to accept any responsibility that might be placed upon him. He was a man who was always ready to face any difficulty that might arise, and he was always ready to find a way through it. He was a man who was always ready to do whatever it took to get the job done, and he was always ready to do it with a smile. He was a man who was always ready to be the best manager that he could be, and he was always ready to be the best manager that his company needed.

### The "of In The Life"

It is a common belief that the life of a man is a long and arduous journey. It is a journey that is filled with many ups and downs, and it is a journey that is filled with many challenges. It is a journey that is filled with many opportunities, and it is a journey that is filled with many possibilities. It is a journey that is filled with many experiences, and it is a journey that is filled with many memories. It is a journey that is filled with many lessons, and it is a journey that is filled with many truths.
