SHOWS STRENGTH OF HABIT

All the devastation of War has not caused French to deviate from Regular Ways.

It was Carlyle, we believe, who remarked the narrow orbit of great events. While most were tearing at the seams of civilization, the Frenchmen in other parts of Paris juggled over copper coins, quarreled over the representations of house sets, discussed poetry and philosophy or matched predictions on the weather.

An American, lately returned from Europe, reports that the most astonishing thing about the war is how little it has changed the habits of the French.

A hand of sheep belonging to Mr. Latham was brought to Mr. Moorehead's Monday where they will be fed during the winter.
