J. A. Folger & Co., San Francisco

There are three ways of dressing—good, bad and indifferent.

It all depends on the price you pay, your own ideas, and the tailors who do the work.

\$25 to \$35 is a lot of money for bad or indifferent clothes, but placed in the hands of the right tailor it means a suit that is good.

If your inclination runs to that amount we would like to do you the good service of taking your measure.

500 patterns of high grade fabrics to select from.

CHAPTER III.
"I have been thinking of you a great deal lately," said the woman, looking at the man with a smile. "I have been wondering how you are getting on. I hope you are well and happy."

"I am well, thank you," he replied. "I have been busy with my work, but I have managed to find some time for my friends. How are you?"

"I am the same, thank you," she said. "I have been thinking of you a great deal lately. I have been wondering how you are getting on. I hope you are well and happy."
