### To the People

In the two years' time that we have been do-  
ing business in your city, most of you have be-  
come familiar with our methods of having a sale.  
If you haven't we want you to investigate them.  
Ask someone who has been here. Our goods are  
all marked at regular prices in plain figures, and  
when our sale prices are marked on them, you have  
the opportunity of seeing just how much of a  
bargain you are making.

However small the discount may be, you  
may feel assured that it is a bona-fide extra-price  
and real saving to you.

Furthermore, I personally stand ready to  
make good any misrepresentation found in our  
ad or our marking.
