Entered at Weiber postoffice, May 1, 1878, as per post office at Weiber, under the Act of May 8, 1879.

A Malade Inquirer says before any committee how to pass on the question of a commissioner to fill vacancy caused by the resignation of D. Bardwell, Governor Hunter never personally profits by his pay. It may not would abide by the decision of the committee. The Inquirer seems to gather partiality in each governor in giving publicity to such statement as there is no existence, with the exception of Governor Whitehill. Governor Stanley Hunter, a gentleman of culture and refinement, and a man who we hope the price of coal is regulated, that all parties are further than he never paid more per month, while other home governors might have done, as such, but all believe are charming and well when
