THESE WHO ARE ILL

Mr. James P. Smith, who has been suffering from the persistent coughing and the attending pneumonia, thinks that he will be entirely recovered in a few days. He has been suffering for some time, but recently the nature has been better. He has been suffering for some time, but recently the nature has been better. He has been suffering for some time, but recently the nature has been better.

THE DUCKING STOOL

It is a well known fact that the ducking stool is a very useful and necessary article of furniture. It is used for the purpose of punishing those who have committed certain offenses. It is a very simple and effective method of punishment, and is still in use in many parts of the world.

REYNOLDS AS A BEGGAR

It is a well known fact that Reynolds is a very successful and wealthy man. He has made his money in the oil business, and is now one of the richest men in the world. He is a very generous and philanthropic man, and has done much good for the poor. He is a very successful and wealthy man.

STRAIN TELLING ON WILSON

Wilson's political position is becoming increasingly untenable. The public is beginning to see through his policies, and his support is rapidly declining. The strain of his position is becoming more and more apparent, and it is only a matter of time before he will be forced to resign.

GENERAL OJEDA IS SURROUNDED

Ojeda's forces are being surrounded by the American army. The situation is becoming increasingly desperate for the general, and he is being forced to retreat. The American army is closing in on him from all sides, and he has no chance of escape.

CRECIAN RULER IS MURDERED

Shot Down By One Of His Own Soldiers While Walking On Street—Died Almost Instantly.

GOVERNMENT WOUNDED BACK BANKERS

The government's financial policies are causing a severe crisis for the banking industry. Back bankers are being forced to close their doors, and the government is being accused of mismanagement. The situation is becoming increasingly dire, and the government is being forced to take drastic action.

DISSENTION PLAN GOVERNMENT

The government is planning to discontinue its support for the dissention plan. This move is being met with widespread opposition, and the government is being accused of betraying its principles. The dissention plan is a popular and effective method of protest, and the government's move is being seen as a major setback.

HELD COURT IN A RIVER

A court case was held in a river, a unique event in the history of the law. The case involved a dispute over land rights, and the court's decision was reached after a long and arduous process. The event was a major landmark in the history of the law, and it is being remembered as a significant moment in time.

MINNEAPOLIS

News from Minneapolis, including reports on local events and news. The city is experiencing a period of growth and development, and there are many exciting projects in the works. The local economy is strong, and the city is becoming an increasingly important center of commerce and industry.

WEDNESDAY

Local news and events for Wednesday, including reports on the weather and community activities. The day is busy with many events and activities, and the community is coming together to support various causes. The weather is pleasant, and it is a good day to be out and about.
