**PAYETTE-WEISER MILLING CO.**

The production of a permanent fruit tree is a task of considerable importance. It is not only a matter of time, but of money. The fruit tree is a long-lived plant, and its production is a long and costly process. The fruit tree is a plant that is not only a source of food, but also a source of pleasure. It is a plant that is not only a source of food, but also a source of pleasure. It is a plant that is not only a source of food, but also a source of pleasure.
