Roosevelt 110 Taft 15
STRAW VOTE INDICATES SENTIMENT OF PEOPLE
County Vote Would Undoubtedly Increase the Ratio to Ten to One.

WONDERS OF THE YOSEMITE
 First Seen by White Men in 1841
 Yosemite National Park, California, is one of the most wonderful and beautiful of the world's wonders. It is a vast, rugged, and majestic landscape of granite cliffs, waterfalls, and dense forests. The park is a true wonder of the natural world, and its beauty is unmatched anywhere else on Earth.

CLASSIFIED ADVERTISEMENTS
 Classified advertisements are a vital part of any newspaper. They provide a platform for individuals and businesses to reach a wide audience. From job openings to real estate listings, classified ads are essential for many aspects of daily life.

WHEEL-MAKES POSITION PLAN
 The wheel industry is facing a new challenge as it seeks to establish a clear position in the market. Industry leaders are working to define the role of the wheel in modern transportation and to address the needs of consumers and manufacturers alike.

QUESTION RIGHT TO HOLD 2 OFFICES
 A recent debate has arisen regarding the right of an individual to hold two offices simultaneously. This question touches on issues of public service, efficiency, and the potential for conflict of interest. It is a topic that warrants careful consideration.

AMERICANS FLEE FROM MEXICO
 A significant number of Americans have fled Mexico in recent months, citing concerns over political instability and violence. This exodus has raised questions about the safety and security of the region and the impact on the local population.

Roosevelt 110 Taft 15
 The results of a recent straw vote indicate a strong preference for Roosevelt over Taft. This finding suggests that the electorate is leaning towards a more progressive and reform-oriented candidate. The ratio of 110 to 15 is a clear statement of public opinion.

STRAW VOTE INDICATES SENTIMENT OF PEOPLE
 The straw vote provides a valuable snapshot of the current sentiment of the people. It shows that there is a widespread desire for change and reform, and that voters are looking for a leader who can address their concerns and lead the country in a new direction.

County Vote Would Undoubtedly Increase the Ratio to Ten to One.
 If the county vote were held, the ratio in favor of Roosevelt would undoubtedly increase to ten to one. This prediction is based on the strong support shown in the straw vote and the broader political climate of the time.
