THE STAR THEATRE

TONIGHT ONLY

"THE DESERTED SHAF"—Imp. of the new and stirring dramas ever produced. The situation is here described in the picture but leaves them down a deserted shaft by a jealous foreman.

"THE MAN UNDER THE BED"—An exciting outdoor comedy, and seeking a safe to hide in a residence and crawls under the bed. This is a sensational production and you think the funniest. The situation is found to be dead.

"AN OLD LADY OF TWENTY"—A play of a woman that mingles laughs and love scenes and is a masterpiece of enthralling and healthful fiction.

ELK Theatre

Friday and Saturday

"THE POOR RELATION"—Lubin has a modern Cinderella story, not a fairy tale, but the real thing. A little unfortunate but with a moral that turns the laugh too simultaneous and stiff.

"PATHE WEEKLY"

"WALK-YOU WALK"—Kalem ready in which some pretty girls act over with a fresh youth and a new story. He has written one of the best acts out but as they have a knock-out scene in the first act, the girls are to take the robes off with and it is his turn to WALK, YOU.

Year, Wednesday and Monday, Tuesday, Thursday, Saturday and Sunday. The full membership of 14 were present and the afternoon was pleasantly spent in fancy work and social conversation. Refreshments were served by the hostess.

John and Ralph Fisher entertained a few of their friends at their home of Dead On Oregon, Thursday evening. A general good time was enjoyed and at a late hour refreshments were served. Those present were Misses Harper, Cook, Crowder and North; Messrs. Lindsey, Sparks, Volaw and Winfrey.

COMING SPORTING EVENT

Wrestling Bout Will Be Filled Off in Weiser at the Wheaton

A sporting event of the clean and chaste character of wrestling, more than ordinary interest in the wrestling bout which will take place in the Wheaton theater in this city, Thursday, May 18. The principals in this coming event are Charles Erickson, of Mars, and Fred Christensen, of Payette, both acclaimed in the art and well matched.

Erickson is now in training, in Weiser with Ed Warner, of Blaine, and will be able to give his opponent a lively tussle for the honor. Christensen is a veteran, stands well up in the class of wrestlers and his fact alone is a guarantee for interest in the final result.

Following the bout between Erickson and Christensen an extremely interesting event is being staged, when Warner will take on two local wrestlers from Cambridge. The two are Kehay Marula and Earl Parker, who are the equals at 140 pounds each and are also reported to be remarkably well matched. Ed Warner will endeavor to prove he is amply able to take care of them.

Indications are that the crowd that will be out tonight to listen to the bout is one of the largest that has ever been seen in the city. The program is one of the best, and it is hoped the audience will be a record breaker.

Albert S. Hand, chief clerk of the railway mail service with headquarters in Portland, was a prominent visitor in the city Friday in connection with his department. The Signal understands a pleasant visit.

Mr. and Mrs. L. W. Butterfield and children left Friday for their home at Lander, Idaho, after visiting relatives in the city. They were accompanied by Mrs. Butterfield's sister, Mrs. Lavin Graham, who will remain with them during the summer months.

J. P. Coppelan came over Friday from Portland to attend to some matters in connection with the city engineer's department. Mr. Coppelan is a capable engineer in the proposed paving, gas and other improvements now before the board.

Deaths in East Weiser

Mr. and Mrs. Joseph A. Cole passed away Thursday night at the home of Ed Taylor. In this family after a long illness. The funeral will be held Saturday afternoon from the residence at 1 o'clock. Rev. Cullison officiating.

Deceased was born in Missouri, and was 27 years of age. She is survived by the husband, four children and parents, who reside here. During her brief residence here she had made many warm friends, who extend deep sympathy to the sorrowing relatives.

NO CAUSE FOR ALARM

Two Well-Known Weiserites Go to Butteville Instead of Mexico

Considerable alarm was created Friday afternoon when Ed W. Sparks and Ed Taylor were seen slowly waddling their way westward leading two heavily burdened and innocent looking horses. The report at once went around that they were headed for the Mexican frontier to join hands with the confidence man, the industrial assassin. At once sympathy was extended for the travelers, but when it was learned that they were carrying a carcass was headed by Ed Taylor, it was immediately transferred to the fish.

It is said the foxy boss life last of emfellow, and that is exactly why the two may sportmen feel themselves either in the afternoon. They were determined to be on hand at the proper hour to cool said boss.

As a result some startling fish yarns may be expected. They will spread their legends on the banks of the placid trout, and after a course of sweet slumber in the arms of emfellow they will waddle forth to do battle with the fishy tribe. The odds will favor the travelers and a next ray of light is anticipated.

Ed Taylor declares the judge are going into the care of the fish as fast as Poultry Success, 1 year determined to do little fishing there. The Weekly Signal
