There Can Be No Losers! Everybody Wins Something!

THE PLAN IN BRIEF

The object of this distribution is two-fold—primarily to increase the already large subscription list of the Weiser Signal, to collect a fund of money for the present or old subscribers, and at the same time to afford our friends and readers an unparalleled opportunity to profit, and in a big way, through their spare time during the next few weeks. So it is a plan that works both ways and to the ultimate good of all concerned.

In order to succeed quickly and advantageously, the most valuable and attractive list of prizes ever offered by a local newspaper in this section of the country has been made ready for distribution among those who participate most heartily. Ambition and energy are the only requisites for success.

HOW TO ENTER THE ELECTION

The first step in order to become a candidate and compete for a prize, is to clip the nomination coupon appearing in this issue; fill in your name and address and mail of delivery, as a starter and to proceed on your way to win. Only to the campaign department of the Weiser Signal, Weiser, Idaho, should the coupon be sent.

HOW VOTES ARE SECURED

The next step is to call or write the campaign department for a free working outfit (consisting of a special receipt book, sample copies of the paper and other information relative to launching an active campaign).

Thus equipped, you have but to go to your friends and neighbors, relatives and acquaintances, and have them clip all the free coupons from their papers or pay up a subscription to the Weiser Signal through you. THAT'S ALL THERE IS TO IT. However, you will never win anything unless you make the start and while it will not be a very difficult matter to capture one of the big prizes, nevertheless you should start at once. You must plan out your campaign for a few short weeks and you may be riding in your own automobile.

It takes votes to win and votes are secured in three ways: First, by clipping the free voting coupons appearing in each issue of the Weiser Signal. Begin by gathering them now. In a few days these coupons will be reduced to a lesser number of votes. The only restriction placed on coupons is that they must be deposited at the campaign department of the Weiser Signal on or before the expiration date printed thereon. Get your friends having these coupons for you—they all count.

Next, you can also be secured by using the opportunity and first week coupons which will appear in this paper. Instructions to how these coupons are to be used will be printed on them plainly.

The other, and faster, way to get votes is by securing new and renewal subscriptions to the Weiser Signal. On each subscription turned in a certain number of votes are heard, the number varying according to the amount paid and during which "period" same are received at the campaign department (see this schedule of votes elsewhere). So, you see, the more subscriptions you secure the more votes you get and the better your opportunity is to capture the grand capital prize.

"cream of votes and subscriptions, while those who put off entering until a later date will have to take what is left. Don't lose valuable time waiting to see what the other fellow is going to do," but pitch right in and show the "other fellow" how to do it.

ADVISORY BOARD

It is the sincere aim of this newspaper to conduct this election from start to finish in a fair, honorable and impartial manner. Every pretension has been taken to safeguard the interest of participants, and absolute honesty in all dealings is guaranteed.

However, not all wisdom lies with any one man or institution, and for that reason an advisory board has been decided upon, whose function shall be to decide any question of sufficient moment that might happen to arise during the competition and from which a committee shall be selected to act.

The personnel of the advisory board is as follows:

The committee who shall act as judges have not been selected at this date, but will be selected and the names published soon.

All of these gentlemen are well known to everyone in Weiser and surrounding territory and the results given out by them will be beyond dispute.
