What \$13.50 Means To the Man Who is in the Habit of Paying \$15 to \$20 for His Suits

In the first place Alexander will not sell a pair of clothes at any price. In the second place...

Alexander's \$13.50 Suits are not of suits that you ordinarily expect to get at that price

They are better. They cost a great deal more. They are sold at a minimized margin of profit...

They are equal and better than suits you can buy elsewhere in Weiser

It is your right to have this surprising statement and if your income is modest you've got to prove it.

Another telling item: We do not sell \$13.50 Suits in a darkened room

Our high ceiling room is penetrated in every nook and corner by natural daylight and sunlight.

BACCALAUREATE SERVICE HELD AT WHEATON THEATRE

Full House Hears Address to Graduating Class—Rev. A. T. Hempliff Delivered Sermon.

Yesterday evening at the Wheaton theatre the baccalaureate sermon was preached to one of the largest graduating classes in the history of the city.

Some before time for the services to commence the house was comfortably filled and even when time for the exercises arrived it was necessary to delay for the better part of half an hour while waiting for the lights to be turned on.

His words were directed to the audience in general but filled especially for the needs of the graduating class.

His words of advice were kindly and full of truths and were accepted by the class.

The entire program as noted in Thursday's issue was carried out in full.

The mixed quartette composed of Mrs. P. D. Dean, Miss Lillian Turner, Claude Allen and Ralph Fuller, was especially pleasing and gave three beautiful numbers.

The employees of the laundry enjoyed their regular annual picnic week.
