A. W. Hamilton shipped a load of machinery, farming implements and supplies to his ranch near New Meadows, Idaho, this morning.
Miss Doris Zala, who has been working in Portland for the past year, came to the city Friday and left Saturday for Indian Valley where she will visit relatives for a few weeks.
Miss Pearl Smith leaves tonight for her home in Clatskanie, Oregon. She is accompanied by her sister, Mrs. J. H. Smith.

The weather man kept his prediction and as a result a big crowd turned up today to the city. The crowd was considerably larger than any this season, and it is especially pleasing to note that there was more money in showing some appreciation of the band's efforts, though the atmosphere was a little too chilly to be real comfortable, but everybody "warmed up" the occasion and thoroughly enjoyed the evening's entertainment. The program consisted of a number of selections which were excellently well rendered.
Council Meets Monday.
On account of City Attorney Ryan's inability to complete reports and ordinances in time to submit them to the council Friday evening, a meeting was held. An adjournment was taken until next Monday night.

PUBLIC FOUNTAINS
City Ready to Install Them if Someone Will Furnish the Equipment.
It is reliably reported that a movement is being made to install public fountains in various parts of the business district. A movement that is supported and who should receive the hearty cooperation of all. It is reported that a local organization has organized its willingness to supply the funds for the equipment but cannot afford any for having them installed. Superintendent states the city stands ready to install the fountains and will have the water free of charge, which should be a long way toward accomplishing this much needed improvement. Public fountains would be especially welcomed by our country friends.

THE GIANT PATROL
The giant patrol of the great regions will feed on coal until it is exhausted. It is reported that the giant patrol will be in the city for several days. The giant patrol will be in the city for several days. The giant patrol will be in the city for several days.

Chi-Namel

is a liquid finish for floors, interior wood-work and furniture, that is far superior to any other made. It comes in all the hard wood finishes, such as Oak, Walnut, Cherry, Mahogany, Rosewood, Sycamore, etc. and will withstand hot and cold water and soap. We will bring water for your feet pound it with a hammer, and will guarantee that what we sell you will stand the same test. We offer you an opportunity to test the claims made for Chi-Namel varnishes at our expense by giving you absolutely free a 20c can of Chi-Namel varnish—any color, if you will buy a new coat varnish brush of us to give it a fair trial. Our demonstrator will be here on Monday and Tuesday, May 6th and 7th, when she will be glad to show you the good features found in CHI-NAMEL.

Don't forget the place and date
