

# SLAUGHTERING OF VALUES!

Selling Cattle at HALF PRICES is only when the other fellow buys the bill—That's True. During the Past Year I closed out the entire stock of Four Prominent Brands of High Grade Clothing, My Price and my Money did the work. Finest of Hand-Made Work, the Scarce Fabric, are on Sale at HALF PRICE.

100 SUITS FOR \$5.75  
50 SUITS FOR \$8.75  
20 SUITS FOR \$11.50  
10 SUITS FOR \$13.75

And still more prices pay a profit and save you all the rest. No old rubbish, no odds and ends. Clean, bright, new, top-grade goods, bought for half price, and that's all that is the matter with them. Ask a dealer what are the secret and you'll hear Ours, Ours, Ours in hard-fought words, sharp-shin waver and get stiff, usually scarce and hard to find, and that's the very thing I am selling half price. I am offering the good dresses which were the value of \$6.25. They'll buy my \$5.00. Worst-case, \$1.25, and save the difference of \$4.25.

What I am doing on Suits I am doing on my whole stock. \$40,000 worth of merchandise at your own price-half and less. Come and see us. Let me help you to the greatest bargain of the season.
