WEISER ACADEMY COMMENCEMENT

Will Be Held Next Thursday Evening, the 16th—The Program.

The annual baccalaureate sermon to the Weiser College and Academy graduating class will be given in the Congregational church next Sunday evening. The final examinations and class recitations of the last few days were dispensed with on account of the smallpox scare. Only one of the students, Miss Mercuria of Council, is afflicted, and she is carefully isolated and under the best of care, so all the other students and other attaches of the school have been vaccinated. Good sanitary measures compelled a suspension last week of all academic work, and the out-of-town students married bunk.

Splendid work has been done this year, and a large attendance is anticipated next September.
