

# GREAT MONEY-SAVING OPPORTUNITY.

Not because we have any intention of giving our goods away, nor because we sold them for more than they were worth heretofore, nor because we don't like Weiser, BUT SIMPLY because we are getting ready for Fall Business which will be the biggest in the History of Weiser and we are on our way to New York for Fall Goods and in looking over our stock we find we have too many of the following lots, and want to sell them during July, and hence our reduction from regular prices.

The big cut is for now and not for later.
