ALICE OF OLD VINCENNES

By MAURICE THOMPSON

CHAPTER XV
LORD HILL and the other men were in a state of great excitement. The information that he was to be married was a great surprise to them. They had heard that he was to be married to a girl from the city, but they had not known that she was so young and so beautiful. Lord Hill was a man of great power and influence, and his marriage was a matter of great importance to the city.

When everything was ready for the wedding, Lord Hill and the other men were in a state of great excitement. The information that he was to be married was a great surprise to them. They had heard that he was to be married to a girl from the city, but they had not known that she was so young and so beautiful. Lord Hill was a man of great power and influence, and his marriage was a matter of great importance to the city.

The doctor was very much pleased with the result of his examination. He had found that the patient was in good health, and that the disease was not serious. He had prescribed a course of treatment, and the patient was to be kept in bed for a few days. The doctor was very much pleased with the result of his examination. He had found that the patient was in good health, and that the disease was not serious. He had prescribed a course of treatment, and the patient was to be kept in bed for a few days.
