

PROPERTY OWNERS ATTENTION

FIRE INSURANCE is always a good investment. Many times a profitable one. "I can carry my own insurance" is a poor and weak argument and to follow out this policy often results in heavy premiums to those who attempt it. A man with a few hundred or thousand dollars cannot afford to take the same chance as a corporation worth millions.

INSURE YOUR HOLDINGS NOW

In a Good Sound Company and Rest Secure

The attention of property holders, owners of buildings, dwellings, stocks of merchandise, automobiles, barns, etc., should be interested in the announcement that we have Insurance Facilities that will save them money; that we represent some of the strongest companies in existence; that we write a three year policy on county and city residence property that is not equalled by any other local agent.

To the Farmers of Washington County
 Insure your Residence with us for Three Years and we will give you Dollars on every Thousand Dollar Policy taken out.

GENERAL PUBLIC ATTENTION
 Call or write this office and learn what we can do for you in the Fire-Insurance Line. It is decidedly to your interest.

While Waiting for the Truck

While waiting for the truck to arrive, the rancher found himself in a predicament. The horse was unruly and the situation was tense. The rancher had to use his wits to get the horse under control.

Two Ranchers Have Lively Scrap—Tumble In Harvest Field on Weiser Flat Over Horses.

The incident occurred on a hot day in August. Two ranchers were working in a field when their horses became agitated. The situation quickly escalated into a physical confrontation between the two men.

LOCATE SCHOOL AT GOORMING

The school board has decided to locate the new school at Goorming. This decision was made after a long and thorough process of consultation with the community.

COUNCIL

"Where the Big Red Apples Grow."

Land Values are Low

Council Lands are still at an astonishingly low price. Fruit land as good as that which sells in Colorado for \$5,000 per acre, can be had in Council at 1-20 the price.

Full Crop This Year

Council Valley has no shortage in her Apple crop this year. NO CROP FAILURE IN TWENTY YEARS. Don't you think a fruit ranch in Council Valley will pay? Investigate!

Don't Wait

...Don't delay! This opportunity means much to you! The opportunity of a "difficult" lay at your very door, will you bid it twice? "Council Valley" has a brilliant future and it will be your loss if you don't get the "Council Habit."

Premium Winners

Council Apples have taken premiums at San. Pains, National Horticultural exhibits and in the wherever entered.

A can crate of Council "Premium Winners" will make you independent in a few years. Get in on the ground floor and reap the harvest that is to be made here.

We still have some choice buys in City, Suburban and Farm Property. We can sell to you on good terms and at the right price. Beautiful 5 and 10 acre tracts adjoining town at prices to suit all. Better come to Council NOW. Correspondence and Inspection Solicited.
