COUNTY DAOS STILL GRINDING

The hard freeze in our State has again made the millstones in some places green and others that the grain has been so hard to grind that they are being used over and over again. It is estimated that the grain is being ground at a rate of 100,000 bushels per day. The millstones are being used at a rate of 100,000 bushels per day. COUNCIL

"Where the Big Red Apples Grow"

Land Values are Low

Council Lands are still at an astonishingly low price. Fruit land as good as that which sells in Colorado for \$1.50 per acre, can be had in Council at 1-50 the price.

Full Crop This Year

Council Valley has no shortage in her Apple crop this year. NO CROP FAILURE IN TWENTY YEARS. Don't you think a fruit ranch in Council Valley will pay? Investigate!

Premium Winners

Council Apples have taken premiums at State Fairs, National Horticultural exhibits and in fact wherever entered.

A six acre tract of Council "Premium Winners" will make you independent in a few years. Get in on the ground floor and reap the benefit that is to be made here.

Don't Wait

Don't delay! This opportunity means much to you! The opportunity of a "lifetime" lays at your very door; will you bid it enter?

Council Valley has a beautiful climate and it will be gone long if you don't get the "Council Habit."

We still have some choice buys in City, Suburban and Farm Property. We can sell to you on good terms and at the right price. Beautiful 5 and 10 acre tracts adjoining town at prices to suit all. - Better come to Council NOW. - Correspondence and Inspection Solicited.
