ADVERTISING FOR HOME PEOPLE

Home stores make a mistake when they ask for trade on the strength of being a home institution. Just prove to your trade that you can sell in competition with your out-of-town competitors, both in prices and quality and the trade will be yours.

IF YOU WANT TO SELL GOODS

Tell the people that you have them. Tell them just what kind of goods they are and what they are selling for. The Merchant Who Talks the Most to his prospective customers will get the business.

ADVERTISING IN THE SIGNAL

Will help pull the business to you. Always at your service. Let us talk it over with you.
